

"Parlons peu, mais parlons vin !"

## Heart of Chablis

### Half-day discovery of Chablis vineyard

**During: 3 hours**

Departure from Chablis tourism office

Driving through Chablis vineyards in the famous old fashion French car "Citroen 2CV", or walking, I will give you all information about the vineyards, subsoil, sun exposure, the Chardonnay variety, and the different appellations. Through the famous Grand Cru vineyards, you will learn about the vine seasons and work.

According to the season, you will discover the pruning, the trimming or the harvest, closest to the men of wine.

Back to the village of Chablis, we will visit a cellar and meet a wine grower.

He will explain his work, and the different steps of the wine making.

We will finish with the tasting of the wines, and discover aromas and flavours, and the words used for this.

For your pleasure, a list of terroir products shops and selected tables is available.

**Cost: 70€ / person - 1 to 6 persons (transport in 2CV included)**

**45€ / person - 1 to 8 persons (customer's vehicle)**

**Groups of more than 8 persons: estimate on request**

**20€ / person - 4 to 20 persons (walking through the Grands Crus)**
